My dear Darwin

I am delighted to  
learn that you are  
thinking of preparing a  
memoir of your father.  
I enclose the only letters of his  
which I possess. Excepting  
mere invitations and testimonials

nials. Most of them  
~~are~~ ~~and~~ only refer to my  
Challenge book and  
although of course the greatest  
value to me will I fear not  
be of help to you. If you  
should <sup>find</sup> any extracts worth  
recording from them  
pray make any use of them  
you wish.

I am to undertake  
the business of the public  
Darwin Memorial here. I  
have no doubt the movement  
will ~~result~~ have a grand  
result. Mr Spottiswoode tells  
me of many subscriptions of  
£100 received already.

Yours truly

W H Moseley.
