REGENTS PARK, N.W.

May 22

My dear Currier,

I shall be on
my guard against letters
from all quarters, & you may
rely on me.

I have kept all the
letters he ever wrote to me,
& I think some of them
will be of use to the biogra-
phers whoever they are to be.

But I have never shown
them to anyone yet, & do
not intend to till I have
your sanction either to deliver
them over to yourself for the
purpose of the biography, or
to anyone else of whom you
approve.

I am now in correspon-
dence with Truman, but do not
know in what respect he has
been inquiring upon you. I

am sure, however, — and especially after what
you say — that he will get nothing out
of me.

Yours ever,

Geo. J. Romanes,
