N.  
May 26. 87.

Sir - Seeing in the news  
paper this morning  
that you wished to collect  
the letters of the late Mr.  
Jarvis. They send  
two written by him  
& my grandfather  
the late Colonel Sykes  
M.P. F.R.S. hoping that  
they may be useful.

When you no longer  
require them, kindly  
return them to the  
above address, as I  
value them much  
for the sake of their  
most illustrious author.

I remain

Sir

Yrs Faithfully
