" And the better to enable the said Commissioners, Enumerators, " Schoolmasters, and other Persons employed in the Execution of this " Act to make the said Inquiries and Returns, be it enacted, That the " said Enumerators, Schoolmasters, and other Persons shall be autho- " rized to ask all such Questions as shall be directed in the Instructions " to be issued by the said Commissioners, with the Approval of One of " Her Majesty's Principal Secretaries of State, which shall be necessary " for making the preliminary Inquiries and for obtaining the Returns " required by this Act; and every Person refusing to answer, or wilfully " giving a false Answer to such Questions, or any of them, shall for " every such Refusal or wilfully false Answer forfeit a Sum not more " than Five Pounds nor less than Forty Shillings, at the Discretion of " any Justice of the Peace or Magistrate before whom Complaint thereof " shall be made."

The above may be shewn by the Enumerator to any Person refusing to answer, or questioning his authority to require an Answer, or giving an Answer which he suspects to be false.

DIRECTIONS

Respecting the manner in which Entries may be made in the Enumeration Schedule.

After "*City or Borough of*" write the name, if the District is in a City or Borough; if not, draw a line through those words, or through whichever of the two the District does not belong to. After "*Parish or Township of*" write the name; if there is no Township in the Parish, draw a line through "*Township*;" if it is a Township, write the name of the Township, and draw a line through "*Parish.*" If it is Extra-Parochial, draw a line through "*Parish or Township of,*" and write "*Extra-Parochial*" over those words, and after it the name.

In the column headed "*Place,*" write the name of the house (if it has a name), or of the street or other part of the town, or of the village, hamlet, or extra-parochial place in which it stands, opposite to the mark denoting each house, or the first house in the street, &c., and write "*do.*" opposite to every other in the same street, &c.

"*Houses.*"—Insert houses uninhabited or building in the manner shewn in the Example, writing "1 *U*" or "1 *B*," as the case may be, in the proper column, opposite to the inhabited house to which each stands nearest. Every house which is unoccupied at the time of your visit and is believed not to have been slept in the night before, may be inserted as uninhabited. New houses, not yet inhabited, may be inserted as "*Building.*" Where there is a row of such houses the total number may be inserted before the letter *B.* instead of the separate insertion of each.

By "*House*" is meant *Dwelling-House*; and every building in which any person habitually sleeps must be considered as a dwelling-house; but buildings, such as churches or warehouses, or any others, which were never used or intended to be used as dwelling-houses, must not be inserted.

"*Names of each Person who abode therein the preceding night.*"—Insert, without distinction or omission, *every* living person who abode or slept in each house. Leave no blank spaces between the names, but enter each immediately after the one preceding it, so that each page may contain 25. Set down one after the other those who have the same surname, beginning with the heads of the family, and put no others between them. As long as the surname is the same do not repeat it, but write "*do.*" Where there are more christian names than one, as "John William," or "Maria Louisa," write down only the first.

When the person is a Peer or Peeress, the title may be written instead of the name. The words "Lord," "Lady," "Sir," "Rt. Hon." "Hon." may be put before the names of those to whom they belong.

If no christian name has been given to an infant write "*n. k.*" for *not known*, as in the Example.

If, as may happen in a lodging-house or inn, a person who slept there the night before, has gone away early and the name is not known, write "*n. k.*" where the name should have been.

At the end of the names of each family draw a line thus / as in the Example. At the end of the names of the inmates in each house draw a double line thus //

"*Age and Sex.*"—Write the age of each person opposite to the name in one of the two columns headed "Males" and "Females," according to the sex.

Write the age of every person under 15 years of age as it is stated to you. For persons aged 15 years and upwards, write the lowest of the term of 5 years within which the age is.

Thus—for Persons aged	15 years and under 20 write 15	35 years and under 40 write 35	55 years and under 60 write 55
	20 years and under 25 write 20	40 years and under 45 write 40	60 years and under 65 write 60
	25 years and under 30 write 25	45 years and under 50 write 45	65 years and under 70 write 65
	30 years and under 35 write 30	50 years and under 55 write 50	70 years and under 75 write 70

and so on up to the greatest ages.

If no more can be ascertained respecting the age of any person than that the person is a child or is grown up, write "*under* 20," or "*above* 20," as the case may be.

"*Profession, Trade, Employment, or of Independent Means.*"—Men, or widows, or single women, having no profession or calling, but living on their means, may be inserted as *independent*, which may be written shortly, thus "*Ind.*"

The profession, &c., of wives, or of sons or daughters living with their husbands or parents, and assisting them, but not apprenticed or receiving wages, need not be set down.

All persons serving in Her Majesty's *Land* service as officers or privates in the Line, Cavalry, Engineers, or Artillery, may be entered as "*Army*," without any statement of their rank, adding "*H.P.*" for *Half-Pay*, and "*P.*" for *Pensioner*.

All persons belonging to Her Majesty's *Sea* service, including Marines, may be entered as "*Navy*," adding "*H.P.*" for *Half-Pay*, and "*P.*" for *Pensioner*.

All domestic servants may be entered as "*M.S.*" for *Male Servant*, or "*F.S.*" for *Female Servant*, without statement of their particular duties, as whether butler, groom, gardener, housekeeper, cook, &c., &c.

Insert all other professions, trades, or employments, as they are described by the parties, or by others on their behalf, writing "*J.*" for *Journeyman*, "*Ap.*" for *Apprentice*, and "*Sh.*" for *Shopman*, after the statement of the trade of those who are such. "*Master*" need not be inserted; every one will be so considered who is not entered as journeyman or apprentice.

Time may be saved by writing the following words, shortly thus, "*M.*" for *Manufacturer*, "*m.*" for *Maker*, as "*Shoe m.*" for *Shoemaker*, "*Cl.*" for *Clerk*, "*Ag. lab.*" for *Agricultural labourer*, which may include all farming servants and labourers in husbandry. Use no other marks or abbreviations but those herein allowed.

Rank, or any such term as "*Esq.*" or "*Gentleman*," must *not* be entered in this column.

"*Where born.*—*Whether in the same County.*"—Write opposite to each name (except those of Irish, Scotch, or Foreigners,) "*Y.*" or "*N.*" for *Yes* or *No*, as the case may be.

Whether in Scotland, Ireland, or Foreign Parts.—Write in this column, "*S.*" for those who were born in *Scotland*; "*I.*" for those born in *Ireland*; and "*F.*" for *Foreigners*. This latter mark is to be used only for those who are subjects of some Foreign State, and not for British subjects who happen to have been born abroad.

Enter the Totals at the bottom of each page as in the Example, and enter and add up all the Totals in the summary in the last page. This may be done at home, and must be written with *ink*.

The entries in the pages of the Enumeration Schedule (except the Totals) may be written with a pencil, which will be furnished for that purpose. All that is written in the 3 pages following them must be with *ink*.

DIRECTIONS

Respecting the manner in which Entries should be made in this Book.

The process of entering the Householder's Schedules, in this Book, should be as follows :—

The Enumerator should first insert, in the spaces at the top of the page, the name of the Parish or Township, Ecclesiastical District, City or Borough, Town or Village, to which the contents of that page will apply, drawing his pen through all the headings which are inappropriate. If the place be extra parochial, he should draw his pen through the words "Parish or Township," in the first column, and write "Extra Parochial" after the name of the place.

He should then, in the first column write the No. of the Schedule he is about to copy, and in the second column the name of the Street, Square, &c. where the house is situate, and the No. of the house, if it has a No., or, if the house be situate in the country, any distinctive Name by which it may be known.

He should then copy from the Schedule into the other columns, all the other particulars concerning the members of the family (making use if he please of any of the authorized contractions); and proceed to deal in the same manner with the next Schedule.

Under the last name in any *house* he should draw a line across the page as far as the fifth column. Where there is more than one Occupier in the same house, he should draw a similar line under the last name of the family of each Occupier; making the line, however, in this case, commence a little on the left hand side of the third column, as in the example on page vi.

Where he has to insert an uninhabited house, or a house building, this may be done, as in the example, by writing in the second column on the line under the last name of the last house inserted, "One house uninhabited," "Three houses building," as the case may be; drawing a line underneath, as in the example.

At the bottom of each page, on the line for that purpose, he must enter the total *number* of HOUSES in that page, separating those *inhabited* from those *uninhabited* or *building*. If the statement regarding any inhabited house is continued from one page to another, that house must be reckoned in the total of the page on which the *first* name is entered. He must also enter on the same line the total number of males and of females included in that page.

When he has completely entered all the Schedules belonging to any one *Parish* or *Township*, he should make no more entries on the LEAF on which the last name is written, but should write across the page, "End of the parish [or township] of ——;" beginning the entry of the next Schedule on the next subsequent LEAF of his book. The same course must be adopted with respect to any isolated or detached portion of a distant parish; which portion, for the sake of convenience, may have been included in his District. When he has entered all the Schedules belonging to any *Borough, Ward, Tything, Hamlet, Village, Ecclesiastical District*, &c., he should make no more entries on that PAGE, but write underneath the line after the last name, "End of the Borough, [or Ecclesiastical District, Hamlet, Tything, Ward, Village, &c.] of ——"; making his next entry on the first line of the following PAGE.

In this way he will proceed until all his Householders' Schedules are correctly copied into his Book; and he must then make up the statement of totals, at page ii of his Book, in the Form there specified. He must also, on page iii, make up the summaries there mentioned, in the form and according to the instructions there given.

[Example of the manner in which Entries should be made in the Schedule Book.]

SUMMARY.

In making this Summary, for EACH *Parish* or *Township*, write on *one* line the Number of Schedules, of Houses, and of their Inmates; on another line the Number of Persons who were in Barns, Sheds, or the like, in Tents, or in the open air, within the same Parish or Township; then insert the sum of the two lines. Barns, Sheds, Tents, &c., must not be reckoned as *Houses;* on the second line the columns for Houses will therefore be left blank.

The Summary to be continued, if the Enumeration District contains more than one Parish or Township, and in that case the Grand Total in the Enumeration District is to be inserted at the foot of the page.
