

Buckland

152, Great Street
New York, 22 June 66

Sir,

Learning from your advertisement
that you desire to receive letters written
by your late father, I beg to enclose
original of such a letter, requesting you
to kindly return it after inspection.

Although I think this letter, however
highly valued when received, of no public
interest, yet I leave it entirely to you
to treat its contents as you may think
fit. remaining, Sir,

yours truly
M. Buckland.
