

22, WILSON PLACE,
N.W.

Sept 20/02

My dear Sir

Thank you for the return of
your father's letters which have
reached me safely and in reply to
your note you are at perfect liberty
to publish any portion of any of them
when you may wish to do so. Though
there are several there was perhaps
rather too complimentary, which however
you will probably yourself think it better
to suppress.

Yours very truly

George Heatham
