

Prestwich

35 - St Giles

Oxford

10 June 1882

Dear Mr Darwin

Enclosed are
three more letters - two
from my sister at
Park Crescent (one of
which was pasted
in the Origin of
Species) and the
other my husband

Sends. He thinks
he may find more
but we are leaving
for the long
Vacation for
Shoreham, Severnals,
today, so in the
meantime I enclose
these three.

Believe me
yours very truly
Grace A. Prestwich
