Dear Sir,

According to the wishes,  
you expressed in the papers,  
I sent a letter to you, which  
I had the honour to receive  
from your great father. As  
I consider both the letter and  
the cover to be relics, please,  
let them come back to my  
hands, after having copied  
the contents.

Yours respectfully

Prof. Dr. Fritz Schultze
