My dear Sir

In forwarding to you  
(according to your published  
request) the enclosed  
three letters, which I  
received from your Father  
when I was residing on  
Blackheath, I beg leave  
to offer my tribute of  
affectionate respect and  
admiration for the memory  
of one who treated me  
with great kindness.

I am yours very truly

Hubert Aiky
