~~Dear Sir~~

~~I enclose a letter written to me of the late Mr Darwin~~
 in acknowledgement of a copy of a paper (published of me in
 the Proceedings of the Zool. Soc.) on the Hemiptera of St Helena
 (but discussing the origin of the ~~fauna~~ whole fauna & flora of
 that island). ~~The other letter alluded to was merely an~~
~~acknowledgement of the receipt of the paper.~~

~~You are very welcome to make any use of the enclosed, but, as~~
~~need not say I do highly value the views of Mr Darwin,~~

return it when done with.

Faithfully yrs

F Bruchan and White
