Dear Sir

In accordance with instructions from Dr J. H. Gilbert who has left England for America for some weeks I send you copies of the letters of your father addressed to Dr Gilbert - eight in number. You will see that I have marked in the margin with the word "holograph" the four that are in his own hand writing. If there is anything I can ~~add~~ do further in this matter I shall be most happy

to try and to do my best.

Yours truly

J. Wilson
