WEST BRIGHTON.

2 July 1882.

Dear Sir,

I read in the Standard  
newspaper of the 26<sup>th</sup> of May  
that you wished letters  
written by your father to  
be forwarded to you.

Besides the great honor  
of having been personally  
conferred with J. Darwin

I have corresponded with  
him on different occasions.  
I enclose two of his letters  
as they are interesting as  
expressing his views on  
certain subjects.

At any time when you  
require them no longer I  
should be glad to have  
them returned to me, as  
I value them much as  
a remembrance of the  
great talents of

England has produced -

I am dear to

Your truly  
Thos Davidson
