Dear Sir

I take the liberty  
of enclosing Copies of 3 letters I had  
the pleasure of receiving from <sup>your father</sup> in 1857  
I do not think they can be of much  
service in his biography - but they  
are just at your service if you wish  
them -

Yours very truly

F. Disner

I am sorry that I find afterwards I was  
quite unable to be of any service to him  
in the matters mentioned -
