Dear Sir,

I wrote on Friday  
last - but by mistake  
addressed my note  
to Mr. Searge Darwin -  
inclosing a letter from  
your father to Mr. Gray,  
and asking if you  
can find any of  
Mr. Gray's letters among

your father's papers  
If there are any my  
sister Mrs. Grey will  
be very greatly obliged  
for the loan of them  
The letter I enclose  
today was put up  
with one from  
Mrs. H. Wedgwood to  
Mrs. Grey —

Believe me

Yrs truly
